

Downloading Zoom on an Android tablet or smart phone

Zoom is **free** to **download**.

It is **free** to have a **video call** if:

- You are calling **1 person**
- Your call is **less than 40 minutes**

You can **use Zoom** to:

- Make a **video call**
- Share a **presentation**
- **Watch a video** together.

You will need:

- An android **tablet** or **smartphone**
- Your device needs a **working microphone** and **camera**
- An **internet** connection or **mobile data**

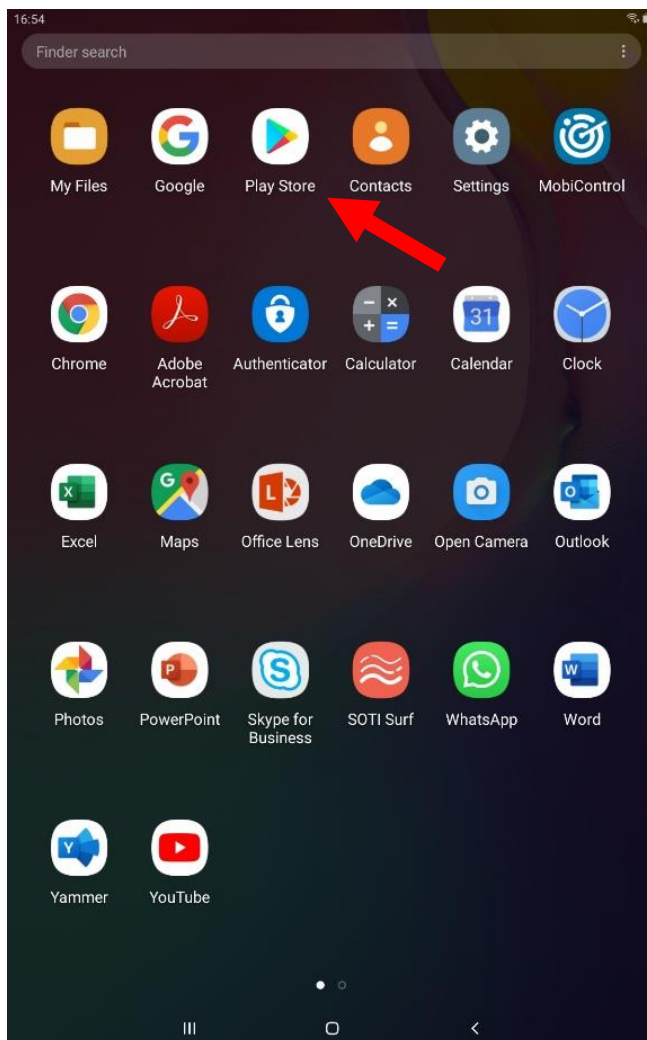

Download WhatsApp on your Android tablet or smartphone

Step 1: Open the Play Store app.

Look for an **icon** like this:

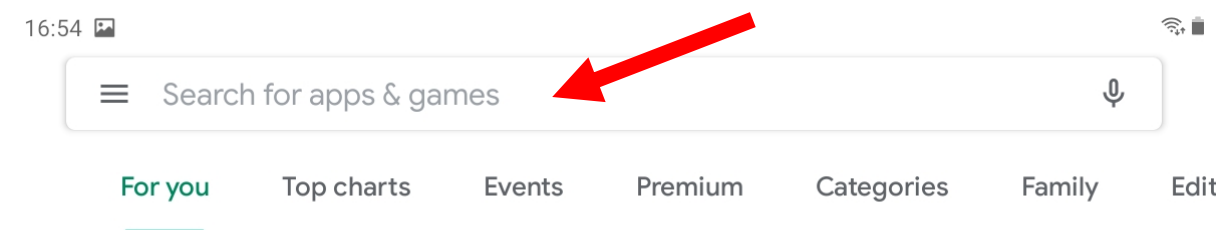

To **open** the Play Store app, **tap** on the **icon**.

Step 2: Search for the Zoom app

At the **top** of the screen is a **search bar**.

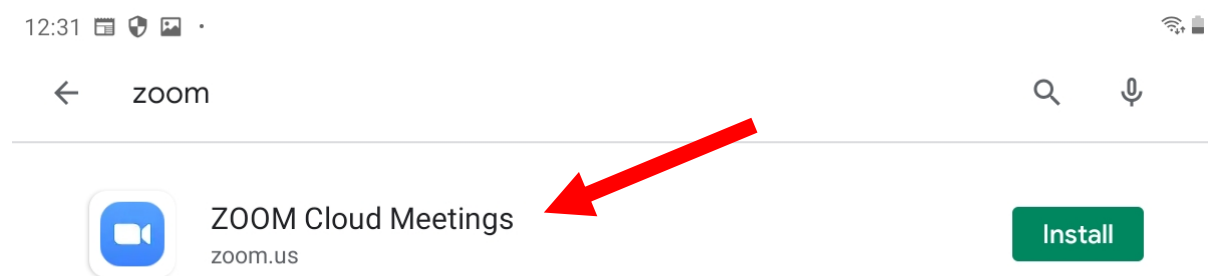

Write 'Zoom'.

Tap the  **magnifying glass** icon to **search**

Step 3: Tap on the app

Tap the app you want to **open**.

There might be many **apps** with **similar names**.

If you tap the **wrong app**, go back to the search results.

To go back **tap** the **arrow** in the **top left corner**.

Step 4: Install the app

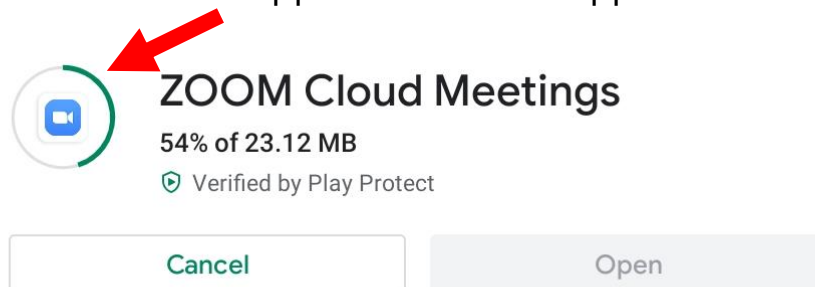

Zoom is **free** to download.

Tap the green '**INSTALL**' button.

The app will begin **installing**.

A **green status circle** will appear around the app.

Step 5: Open the app

When the app has downloaded, tap the green '**OPEN**' button.

You can now **begin** using the app.
